Indianapolis, Nov. 2.—Explosions a non-union iron works in Milwau-se, Wis., Omaha, Neb., and Springfield, Mass, were explained by Ortle
E. McManigal at the "dynamite conspiracy" trial today as having been
done by him shortly before he and
James B. McNamara arrived in Detroit to "clean up" that city, were
arrested with suit cases filled with

dynamite.
For weeks before his arrest, he testified, he had observed he was being followed, and had seen strange heads dodging around the corners of elevator

dodging around the corners of elevator shafts in the iron workers' headquarters in indianapolis.

"I told James B, before we started for Detroit that William J. Burns had detectives after us, that detectives were even coming up near the vault where we stored the dynamite, and that one of them followed me on the street when I was going with a suitcase of dynamite to blow up the South Chicago job," said McManigai. "McNamara said if he saw any more of them we would go to Chicago and rent a room next to Burns' office, put an electric wire through the wall and arrange to set off from our room a bomb in Burns' desk when he was sitting there. That would make an end ting there. That would make an end of our troubles with him, he said. I told him I didn't think we would do anything of the kind or ever get near Burns."
That was about April 5, 1911, Mc-

Manigal said. He and McNamara were arrested seven days later. ONE MORE WITNESS IN

GIBSON MURDER CASE Judge Permits the Jury to Go Home Until Monday.

Goshen, N. Y., Nov. 22.—A jury scattered over Orange county tonight has all the evidence, save that of a solitary witness, to be introduced at the trial of Burton W. Gibson for the murden or his client, Mrs. Rosa Menschik Szabo, in Greenwood lake last Lox When the state and defense July. When the state and defense closed their case this afternoon Supreme Justice Tompkins told the jurors to go home till Monday, when counsel will sum up.

The fate of Gibson, it is expected, will rest with the jury late Monday

afternoon.

Five witnesses for the defense and seven for the state, the latter called meven for the state, the latter called in rebuttal, testified today.

Mrs. Veronica Menscik of New York and her daughter, Mrs. May Ken-drick, swore that Gibson called at their home July 22 and tried to in-duce Mrs. Menscik to say her first name was Petronella. Mrs. Petronella Menschik, dead two years, was the legatee named in Mrs. Szabo's will, drawn for her by Gibson, who was named as executor. "I told him my name was Veronica,"

Mrs. Menschik said, and that I did not want the money."

Dr. Henry W. Cattell of Philadelphia testified for the defense that it would have been impossible for a man to have throtfled a woman, as Gibson is charged with having done, in this case without leaving done, in this case without leaving done, in this case without leaving done, and the case without leaving done, in this case. case, without leaving finger prints on

SCHRANK COMMITTED

TO INSANE ASYLUM. Assailant of Colonel Roosevelt Declares He is Not Insane.

Milwaukee, Nov. 22.-John Schrank, who shot Col. Theodore Roosevelt on the night of Oct. 14 in Milwankee, is insane, and late this afternoon was committed by Municipal Judge Backus to the Northern hospital for the in-sane near Oshkosh until cured. Before being led back to jail to

await preparations for the trip to the asylum Schrank said: "I had expected they would find me insane, because it was in the papers two days ago. I want to say now that I am sane and know what I am doing all the time. I am not a lunatic, and never was one. I was called upon to do a duty and have done it. The commission has sworn away my life. Each member wenn upon the stand and said I was incurably insane. They can bury me alive in they see fit. I don't care what happens now." Commitment was pronounced fol-lowing the presentation of an exhaust-

ive report by a commission of five allenists in which the defendant was unanimously adjudged insane and fol-lowing the introduction of prima facte evidence of several witnesses.

Failure in effecting a cure of Schrank's mental disorder means he will spend the rest of his life in the asylum to which he has been ordered committed.

PLEADS WITH JURY

TO ALLOW MARRIAGE Counsel for Miss Farley Argues for Her Acquittal. Columbus, O., Nov. 22 - The first de-

"A person right in morals and mind

thing as a motiveless murder. Miss
Farley had no object in taking Zollinger's life. The murder of Zollinger
wouldn't conceal anything. Ouigley already knew the circumstances of his
fiancee's rejations with Zollinger, but
had not cared for the details. The
meeting at the park was Zollingers had not cared for the details. The meeting at the park was Zollinger's arrangement—for a final settlement

with Quigley.
"If Miss Farley had wanted to mur der Zollinger, would she have selected a city park in daytime for the scene a city park in daytime for the scene? She could have killed him on the previous night when she slipped a revolver from his coat pocket while in an automobile and forced him to let her go to her home."

Atterney Tompkins in closing his plea announced that if Miss Farley is plea announced that if Miss Farley is acquitted she and Jerome Guigley will
